Jack Ethridge is checking with park designers the city has used in the past if they can do pro bono work in the design of the memorial park or if the city can put the park site together.

Website:

Report from Tony Hake said the website is 95% done and he will e-mail members when it is done so they can visit the site.

Next meeting the winners will be determined and final prize amounts determined.

Time for the presentation at the Fourth of July Celebration is to be determined. Later is better.

#### New Business:

Executive Board will hold a meeting once the attorney reviews the bylaws.

Val Vigil and the Lt. Governor of Colorado want to get involved with this project.

July 5, 2005 the Boy Scouts will have a Flag Retirement Ceremony at 7:00 p.m. The location is the Justice Center in Brighton on Bromley Lane.

Stan Cooper will be stepping down as President which will take effect upon receipt of his letter of resignation.

Marty Wisniewski will check if we can put information in the water bill and the quarterly report about our project.

Research is to be done to see if a link may be added to the City of Thornton website. Marty Wisniewski will follow up once our website is completed.

Kathy Grossman brought a sample of a bracelet in red, white and blue stripe design with the logo "Our Fallen Heroes" between two flags. They cost about \$.99 each and could be sold for \$1.50 as a fund raiser at the Fourth of July Celebration. Kathy will look into bulk pricing.

Bob Heller said there will be a Flag Day Ceremony at the Elks Lodge located at 10960 Irma Drive on Saturday, June 11<sup>th</sup>. All are invited.

It was suggested to involve youth in our project and invite the Teen Council to attend our meetings. Visits to schools with members of the armed services would be one way to advertise our activities.

Tami William moved that the meeting be closed with Terry Cooper seconding the motion. The meeting was adjourned.

Respectfully submitted,
