NEW BUSINESS

1. Tony Hake reported that the Fourth of July Pictures are on the website. He will create letterhead with the logo in black and white, and in color and e-mail them to members.
2. Kathy Grossman suggested we do a car wash fundraiser or a bake sale. Wal-Mart would supply the hoses and water if we wanted to do one there. Most car washes net between \$300.00 and \$1,000.00. Maybe the Boy Scouts would like to volunteer. Kathy Grossman will bring available dates to the next meeting.
3. Trudie Schultz and Kathy Grossman will approach the Chamber of Commerce about support for the project.
4. Randy Bishop suggested we do a personalized Business Letter Writing Campaign for fund raising.
5. Jack Tommins and Randy Bishop will look into other charitable organizations that may want to contribute to our project.
6. Kim Skattum, Pastor of Crossroads Baptist Church, offered land at I-25 and 128th Avenue for the memorial.
7. Jack Tommins priced the pad, flag poles and flags and came up with a price of \$125,000. Once the site is selected, a budget will be developed.

8. Tentative schedule for the next two months is to select site, submit preliminary designs, take to City Council for approval, set budget. All members are encouraged to bring their design ideas to the next meeting.
9. September meetings will be held on September 12, 2005 and September 19, 2005 to accommodate the holiday.
10. Motion was made and approved by an eight to one vote to spend \$200.00 on t-shirt advertising.
11. Trudie Schultz will work on business cards for members.

Respectfully submitted,

Trudie Schultz
Secretary
