

MINUTES  
THORNTON VETERANS' MEMORIAL FOUNDATION  
August 15, 2005

Attendees:

Greg Banks	Kathy Grossman
Carol Beckler	Tony Hake
Randy Bishop	Bob Heller
Clark Carlson	Trudie Schultz
Rebecca Cavanaugh-Miller	Mary Smith
Dave Corey	Jack Tommins
Robert Felt	Marty Wisniewski

The meeting was called to order and the Pledge of Allegiance was said. Guests Greg Banks, a Landscape Architect, and Clark Carlson, a Developer were introduced. They each spoke briefly to introduce themselves to the organization.

Minutes of the last meeting were e-mailed to members. There was no Treasurer's Report as Tami Williams had a death in the family.

Jack Tommins reported that he had completed the database and mailing labels for churches in the area. These are for use when we begin fundraising. He will gather business and charitable organization addresses in the area and put them in the data base. The Secretary, Trudie Schultz, was given a copy.

Jack Tommins and Tony Hake then spoke about companies they had found to do fundraising bricks and presented samples, brochures, and prices. These will be forwarded to the Design and Fundraising Committees to work out who to order from.

The remainder of the meeting was spent bringing our two newest members up-to-date on our progress, design and park criteria, and our schedule for the future. Clark Carlson suggested we come up with a basic park/memorial design to determine how much space will be needed and then look at sites. Greg Banks hopes to have some designs ready for the next meeting which will be held September 12, 2005. It is still our goal to have something to present to the Thornton City Council in October.

Trudie Schultz will e-mail our design idea and concerns to the two new members along with a membership roster. A design committee will be officially formed at the next meeting. Terry Cooper and Trudie Schultz have volunteered for the Design Committee.

Marty Wisniewski will reserve a room for the next month meetings and notify members.

Respectfully submitted,

Trudie Schultz
