

MINUTES
THORNTON VETERANS' MEMORIAL FOUNDATION
January 16, 2006

Attendees:

Greg Banks	Bob Heller
Randy Bishop	Trudie Schultz
Rebecca Cavanaugh-Miller	Tami William
Dave Corey	Martin Wisniewski
Tony Hake	

The minutes of the last meeting were read and the date of the meeting was corrected from the 13th to the 9th.

Material for the star was discussed. Suggestions were concrete with an inverted triangle for expansion joints and possibly epoxy coated. Another suggestion was marble. Dave Corey will look into the cost of the epoxy coating and its durability exposed to the elements. Marble was selected as a first choice.

Lighting and its locations was discussed and planned out. Greg Banks will do up a bill of materials so the memorial can be calculated by the water tank engineers.

As approved in an earlier meeting, we will be having larger bricks for our corporate sponsors. This was reaffirmed at this meeting. If they purchase a memorial or flag pole, a small plaque can read donated by and affixed to the item.

The meeting was adjourned.

Sincerely,

Trudie Schultz
Secretary
