

MINUTES
THORNTON VETERANS' MEMORIAL FOUNDATION
April 17, 2006

Attendees:

Rebecca Cavanaugh-Miller	Tony Hake
Terry Cooper	Bob Heller
Dave Corey	Cleto Sandoval
Kathy Grossman	Trudie Schultz

1. The meeting was opened with the Pledge of Allegiance.
2. Rebecca Cavanaugh-Miller said the city advised up we need our own engineer for our part of the project.
3. Minutes were read and accepted.
4. Silent auction was discussed for the fundraiser on May 13th. Tony Hake sent out letters re: fundraiser and Fourth of July to our sports teams to get memorabilia.
5. Marty and Rebecca held a Ward III Meeting and Tony Hake did the presentation regarding the Veterans' Memorial. Trudie Schultz will attend the next Ward meeting in Ward II and do the presentation. An easel to display the items would be helpful. Drawings are to be taken to Kinko's and laminated since there won't be changes for a while. This will protect the drawings and make displaying easier.
6. Attorney paid in full by Trudie Schultz. Once we receive our tax exempt status, it should be easier to get pro bono work done on our behalf. As soon as the tax exempt status is received, we should send a letter to Wal-Mart to be able to receive a grant.
7. A message from Tim Drago advised us that fundraising may be slow since there are many similar projects at this time. We should not be discouraged. Bob Heller trying to get him to come and speak about possible pitfalls. We should set written goals for fundraising.
8. Entertainment at the fundraiser was discussed. Bob Heller and Terry Cooper will pursue getting someone.
9. Flag ceremony will be held Monday July 10th in Thornton. We will hold a mini-meeting that evening at the multipurpose field.
10. Rebecca Cavanaugh-Miller moved that the meeting be closed and Tony Hake seconded the motion.

Respectfully submitted,

Trudie Schultz
